Jack Delange Is Radarman 1/c

Jack Delange, husband of Mrs. Jane S. Delange of Redwood City, has turned from a sports career as a football player at Burlingame High School and San Mateo Junior College, to radarman first class on a navy destroyer, the navy said today.

Delange has served 27 months aboard a Pacific destroyer in the Marshall, Gilbert, and Okinawa Islands. He has been in seven major battles including Tarawa, Kwajalein, New Guinea, Halmahera, Leyte and Lingayen Gulf. In New Guinea alone he was in eight landings.

His ship is credited with the shooting of 26 Japanese planes and sinking of a destroyer and tanker. His parents are Mr. and Mrs. George Garibaldi of Millbrae.

Menlo Park Plans Civic Center

MENLO PARK—Councilman Charles Burgess appeared before the Menlo Park School Board Monday night to report that the value of the Central School property has been set at $90,000.

The appraisal was made at the request of the city council with the purpose of obtaining information for planning a civic center. No action was taken on the matter by the board.

Contractor Peter Satorio of San Francisco was awarded the contract of building the three-room addition at the Fremont School. The addition will cost $38,792.

Miss Catherine Ferrario, Central School teacher, was granted a leave of absence.

The board signed a contract awarding the painting work on Central Schcool to Dick Crawford of Menlo Park.

Belmont Summer School Ends With Program

BELMONT—A closing program of the Belmont summer school was held Friday evening at the social hall with the Rev. Noble Owings in charge.

A play was presented with the leads being taken by Andrew Hegerty as king, Lachen McClelland as queen, and Patrick Cady as Daniel. According to tradition a memory book was distributed to the pupils at the end of the program by the Reverend Owings. Covers for these books were made by Sally Brown, Teddie Grindle, Susan Kleeman, Katherine Alford, Carol Smith, Gregory Smith, Chris Diehl, and Greg Hurst.

Craft exhibits were on display and exhibitors included: Paul Miller, Judy Hanibal, Warren Schellhammer, Mei-fei Rosholt, Janice Haag, Freddie Johnson and Michael Hansen.

Jimmie Minder and Nancy Schellhammer showed their works in ceramics and the kindergarten class displayed lanterns which they had made under the direction of Mrs. McGauley.

Grand Jury Quizzes Crosby, Ferrell About Activities

At a relatively placid two-hour session Tuesday night in Redwood City, members of the San Mateo County Grand Jury questioned Dist. Atty. Gilbert D. Ferrell, and Coroner William Crosby about the activities of their offices.

Ferrell was questioned about law enforcement while Crosby was summoned before the jury "to see whether the traffic deaths and violent deaths in the county bear some relation to lack of law enforcement," according to Foreman Glen O. Smallcomb.

The questioning of the district attorney was not marked by any of the heated exchanges that featured the jury's session last month with Sheriff James J. McGrath. Members of the jury quizzed Ferrell particularly closely on the funds for purposes of investigation which his office received, it was learned.

Ferrell gave the jury a resume of sections of the state law dealing with law enforcement.

Smallcomb today declined to say whether the jurymen found themselves satisfied with Ferrell's answers.

From its questioning of Crosby, the jury reached the conclusion that in the majority of traffic accidents in this county involving intoxication, the drinking had been done in San Francisco rather than in San Mateo County bars. Fourteen of the jury's 19 members were present at last night's session.

Another full dress jury session will be held in September, and more county officials will be summoned before the jury to answer questions, Smallcomb indicated today.

Cattle Disease Signs Should Be Reported

Anyone noticing suspicious symptoms in cattle, swine, or other animals should immediately report the case to the nearest veterinarian or livestock health official, the American Veterinarian Assn. announced today.

Foot and mouth diseases of livestock have been almost completely eradicated from America according to the association, and safeguards must be taken to keep them from being re-established with the influx of men and articles returning from Europe and foreign countries where livestock diseases are prevalent.

Hillsborough Buys 12 Acres For School

The Hillsborough Elementary School District has purchased 12.87 acres of land for a school site for $64,000, it was announced Monday with the filing of a deed with County Recorder T. Clark Rice.

The site is located on the W. H. Crocker estate on Eucalyptus Ave. adjacent to the Burlingame Country Club lands.

Seller of the property was Providence Securities Co. and the transaction represents first sale of that portion of the former Crocker property.

Deed was filed at the request of the California Pacific Title Insurance Co.

"Kitcheneering" on paper is fun... Makes a Model Kitchen "Practically Yours"

The kitchen is one room in your home that should be personally planned and not accepted ready made. It is the room that should represent the ideas you "doodle-up" to make it fit your personality and working habits. ... For a basic plan, which includes the shape of the kitchen, step-saving arrangement of range, refrigerator and dishwasher together with supplementary cabinets, you will be well guided by the many free kitchen-planning booklets put out by home appliance manufacturers. Appliance dealers or any office of this company can obtain copies for you. You are, however the "kitcheneer" as to color scheme, handy placement of special drawers and cabinets to suit your working habits, fluorescent lighting and Adequate Wiring. For your kitchen, you should give special attention to the wiring, so that the lighting circuit is separate from the plug-in outlet circuits for full power operation of the refrigerator, kitchen mixer, roaster, coffee maker, toaster, etc. Be real fussy with your kitchen planning. It is the best way to right the wrongs that so often occur in the newest of homes.

KEEP CLOSE WATCH AGAINST INFANTILE PARALYSIS

TO PARENTS

YOUR CHILDREN
Are coming home from vacation. This is the time for vigilance for symptoms of Infantile Paralysis (Poliomyelitis).

FORTUNATELY
No cases have thus far been reported in San Mateo County this year. It is in the Bay counties and elsewhere. San Mateo County reported more than fifty cases in 1943 and over thirty in 1944.
Because we have had immunity thus far in the county is no reason for relaxing vigilance. If symptoms develop, CALL YOUR DOCTOR.

SYMPTOMS
Are varied and cover a wide range; the most prominent being fever, intestinal upsets, symptoms of a cold, with sore throat, at times a stiff neck and headache. A patient may have a few but not necessarily all of these symtoms.
Now is the time to watch. Get the patient to bed and keep other children from exposure and CALL YOUR DOCTOR.

PRECAUTIONS
1. Keep food away from flies.
2. Never forget the importance of clean water, clean food pasteurized milk.
3. Cleanliness of person and habits are requisite — do not allow children to eat or drink without previously washing their hands.
4. Avoid swimming in water suspect of pollution by sewage. This precaution applies to the Bay.

YOUR BUSINESS
It is strictly your affair to help protect the children, and to remember that if there is reason to suspect trouble to CALL YOUR DOCTOR.

AND DON'T BE ALARMED BECAUSE THIS COMMUNICATION IS ADDRESSED TO YOU - - - JUST BE CAREFUL AND WATCHFUL!

Notify the San Mateo County Chapter of the National Foundation for Infantile Paralysis if trouble comes. P. O. Box 412, Redwood City. Whenever necessary, the Chapter meets all costs of treatment of the stricken.

Wilford J. McKeegan Elected Head of R.C. Library Board

At the August meeting of the Board of Trustees of the Redwood City Public Library, held in the office, Wilford J. McKeegan was elected the new president of the board, and Mrs. Helen W. Myers the new secretary.

The annual report submitted by the librarian disclosed the fact that the library's total book circulation was 154,527, which is an increase of 3414 over the preceding year and also the second highest annual circulation on record.

There were 1332 new members added and 320 members were renewed. Sixty-two per cent of the city's population are active library borrowers which is 22 per cent higher than the standard set by the American Library Assn. Besides this, there were 302 non-resident borrowers added during the year of which 152 were children.

The library's reading room attendance was 14,446; and 2628 reference questions, requiring considerable research, were answered.

James V. Malcuit Awaits Beale Navy Assignment

A Redwood City man and two from San Carlos are among six Peninsula residents who have reported to the induction center at Camp Beale for naval assignments, it was anounced today.

James V. Malcuit, 731 Upton Ave., is entering the navy from Redwood City; James R. Balanesi, 632 Cedar St., and Theodore A. Mutz, 180 Shelford Ave., are from San Carlos. Dewey N. Hall and Edward L. Nichols, are from Palo Alto and Harry V. Givens is from Burlingame.

Pvt. Victor DeLucchi Gets Army Discharge

Pvt. Victor DeLucchi, 1381 Whipple Rd., has been honorably discharged from the army, it was announced today. He was recently a patient at DeWitt General Hospital near Auburn.

Private DeLucchi was overseas seven months, serving with transportation corps in the Philippines. He was formerly a stevedore boss in San Francisco. He is the son of Mr. and Mrs. Dominic DeLucchi of Redwood City.

PFC Vreeburg Completes Gunnery School Course

PFC Walter A. Vreeburg, 53 Finger St., has been graduated from Buckingham Army Air Field, one of the AAF Training Commands B-29 gunnery schools, the army announced today.

To become an aerial gunner, Private Vreeburg trained 12 weeks at the Florida field. He is the son of Mrs. K. Vreeburg of Redwood City. He entered the service February, 1944, after graduation from Sequoia High School. He has a brother in the army, Lt. Harold Vreeburg.

Atherton Estate Sells For $75,000

Sale of the 7½-acre Atherton estate of Mr. and Mrs. Henry C. Blackwood to Mr. and Mrs. Robert A. McNeil was learned Saturday afternoon with the filing of a deed with County Recorder T. Clark Rice.

The estate, located on Atherton Ave. west of El Camino Real, is the location of a nine-hole golf course.

Sale price, according to California Pacific Title Insurance Co., which requested filing of the deed, was $75,000.

McNeil is manager of the Golden State Theater and Realty Corp.

Agriculture Dept. Asks Public To Buy Potatoes

A sudden increase in the supply of potatoes in Peninsula grocery stores was reported today by the U. S. Department of Agriculture from San Francisco in a statement urging housewives to purchase more potatoes before spoilage sets in.

Reason for the increased supply is that there is a shortage of refrigerator cars to ship the potatoes, grown in Washington and California, back East. There is also a larger supply of potatoes this year according to the report.

Purchasers should buy more of this valuable food now to alleviate a serious condition, the department urged.

J-M Smokestack
By Jim Asbestos

If you think Johns-Manville just makes roofing and siding, you've got a few hundred other guesses coming

J-M PRODUCT "LOCALS"

The new ceiling in Grand Central depot in New York City, with the gold stars all over it, is made of Johns-Manville Asbestos Flexboard. This ceiling is as big as a cow pasture. It's made of curved Flexboard sheets (asbestos and cement) 4 feet by 8 feet by ⅛ inch.

* * *

Drinking water from any old stream is purified for our armed forces with a thingamajig which contains J-M Hyflo Super-Cel. This is made from the fossilized remains of a microscopic marine plant. It strains out injurious bacteria and foreign matter.

* * *

Airplane motors are tested at 48 degrees below zero in a wind tunnel in Cleveland refrigerated with J-M Rock Cork Insulation.

* * *

When you read about our engineer boys completing an airport in 12 hours or so on some darned ex-Jap island, chances are it was done with bulldozers, tractors and power shovels equipped with J-M Asbestos Brake Linings and Clutch Facings.

* * *

When folks want to smother out a fire in electrical equipment where water would ruin the equipment, they usually use a J-M Asbestos Blanket.

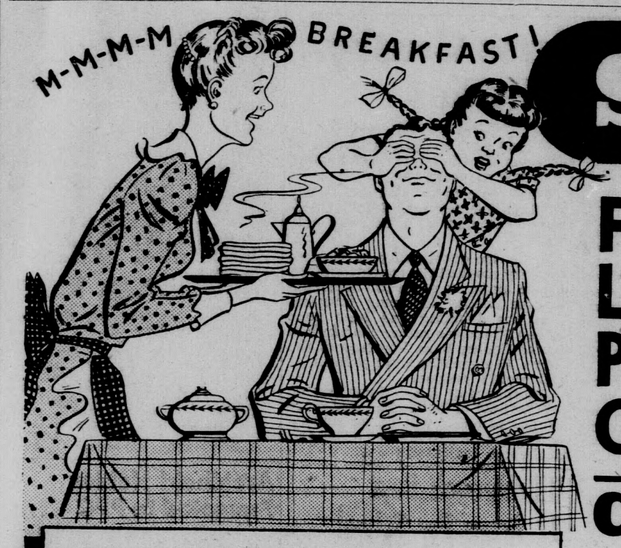
* * *

When the sight lens for Sherman tank guns are polished, the polish used contains a fine grade of J-M Celite. This is white earth composed of millions of tiny skeletons called diatoms. J-M mines 'em in California.

* * *

Somebody has estimated that J-M insulating materials save industry about $500,000,000 a year. I wouldn't know.

-Jim Asbestos
JOHNS-MANVILLE



When you think of breakfast one of the first things you picture is delicious golden toast . . . and it takes quality bread to make good toast. Tomorrow, when you shop at Safeway you'll find bread of satiny smooth texture and the full, rich taste of quality. You can be *sure* it's the kind that makes the toast you like!

What puts zest into Summer breakfasts?

Variety! To perk up their sleepy, hot-weather appetites start them off these mornings with a breakfast that has sparkle and zip! Ready-to-serve cereals offer a wide scope in energy sustaining menus. Serve a different kind each day. Fresh fruits and berries heaped on top give that "extra touch." Or add hot muffins, or honey-flavored toast to the menu. The suggestions below are just a beginning . . .

SUNDAY BREAKFASTS
Melon Sections Topped with Berries
Fluffy Omelet with Baked Tomato Halver
*Upside Down Marmalade Bran Muffins
Coffee or Milk

UPSIDEDOWN MARMALADE BRAN MUFFINS
1 egg
¾ cup milk
1 cup bran or bran flakes
1 cup all-purpose flour
2 tbsps. sugar
2½ tsps. baking powder
½ tsp. salt
2 tbsps. shortening, melted
¼ cup marmalade

Beat egg in bowl; add milk; stir in bran and let soak while preparing other ingredients. Sift and measure flour; sift again with sugar, baking powder and salt. Add melted shortening to soaked bran. Add flour mixture and stir only until just combined. Grease muffin tins well and place 1 teaspoonful marmalade in bottom of each pan. Drop batter in pans, filling ⅔ full and bake in moderately hot oven (425° F.) 20 minutes or until done. Makes 12 muffins.

HURRY-UP BREAKFAST
Sliced Chilled Peaches on
Choice of Dry Cereal
With Top Milk or Cream
*Honey Nut Toast
Coffee or Milk

HONEY NUT TOAST
Blend together equal amounts of warm honey and softened butter or margarine. Spread on dry toast; sprinkle lightly with finely chopped nutmeats.

EVERYDAY BREAKFAST
Blended Fresh Orange and Grapefruit Juice
*Quick-Cooking Rolled Oats with Raisins
Wheat Toast
Coffee or Milk

*Let raisins sweeten your breakfast cereal. To 1 cup quick-cooking rolled oats, add ⅓ to ½ cup raisins.

LETTUCE Solid Crisp Heads ..... lb. 8¢

Leather Firm Occupies New Belmont Site

Leading the vanguard of industries moving westward in the postwar period is the Richard Jerrold Co., of Chicago, which has purchased the old building at the northwest corner of Ralston Rd. and the Old County Rd. in Belmont.

The Jerrold Co., which manufactures simulated leather goods and has national distribution, is now shipping out machinery which will be installed on its arrival, according to J. M. Engle, vice president of that organization, who made the property purchase.

Supervisors will be brought from Chicago but the employes, numbering 35 at the start, will be locally employed. As soon as the company is operating in Belmont the Chicago firm will be discontinued and all manufacturing done on the Peninsula.

The Belmont building, containing 5900 square feet, was built 75 years ago by the late Walter Emmett, who used it for a general merchandise store. After his death, a butcher shop was established there and maintained by L. R. Main, until he entered the armed services. Since then it has been used by the Belmont Recreational Center.

Engle has purchased a home at 251 Park Blvd., Palo Alto, where he will reside with his wife and 12-year-old daughter.

It was during a two months' visit with friends in Burlingame last Summer that the Engles began considering the possibilities of re-locating their business on the Peninsula.

San Carlos Quietly Celebrates

San Carlos and Belmont celebrated with enthusiasm the end of the war but the celebrations were mostly confined to street demonstrations of a family nature between 5 and 7 o'clock Tuesday, when shopping was at its height and commuter's trains were being met.

In both towns papers were tossed with abandon in the streets mostly by the youth of the towns beginning a few minutes after the sirens had given official sanction. Cars filled with adults and youngsters, many hanging on outside with streamers flying and flags waving, circled the streets of the town, making considerable noise.

In Belmont a large old tugboat on a truck with sea scouts aboard halted on the highway and Ralston Ave. while the sirens were blowing.

Neighborhood parties were very quickly organized and continued throughout the evening, but by 10 o'clock the downtown streets were quiet. Restaurants and the movie had record crowds.

Chief Edward Wheeler who was on duty from early morning yesterday said five regulars and seven police reserves were immediately called out and stayed on duty until midnight. Also all three cars were cruising the streets of the town during the evening.

In neither city were there any arrests. The Belmont chief called out two police and two reserves for duty.

The public meeting of the Belmont Civic Club scheduled for last evening to discuss the purchase of a youth center as a living war memorial was postponed to a later date.

Louis Mangini To Return Home

PFC Louis C. Mangini is scheduled to start his trip home from Europe, a depot in France reported today. Private Mangini has served with the 35th Infantry Division and has been in the Allied battles since hitting the beach in France in July, 1944, through Germany's Saar Valley, Belgium and Luxembourg, to the final breaking of the German bulge at Ardennes. He wears five battle stars on his European Campaign Ribbon.

Private Mangini was featured in a mine-laying exploit while with the Third Army, in which he crept within enemy lines and set his mines before the officers quarters, when he became lost from his squadron which did not intend to penetrate so close. He told them on his return, "Well, I sure wasn't going to carry those mines all the way back."

Private Mangini's wife, Geneva Ann Mangini, lives at 247 E. Hopkins St. He is the son of Mrs. L. Mangini, Box 2029, Redwood City.

Philip Ticer Returns to Base After Announced As 'Missing'

Second Lt. Philip F. Ticer, reported as missing in action last week, has been found, according to a War Department telegram to his parents, Mr. and Mrs. Glenn H. Ticer, 731 Edgewood Rd.

He was reported as being missing on July 23, and according to the telegram "returned to military control, July 26, 1945, and the report further states that he had received minor injury."

Lieutenant Ticer had been flying "the hump" from India to China and was stationed at Assam Valley, India.

He entered the air corps, March 28, 1943, after completing two years of chemical engineering at Stanford where he belonged to the Phi Delta Theta fraternity. He was graduated from Sequoia High School in 1940. The Ticers have lived in Redwood City 16 years, coming here from Portland, Ore.

Lieutenant Ticer entered the air corps at Sheppard Field, Tex., and received his primary flying training at Cuero, Tex., and basic flying at Waco Army Air Field at Waco, Tex. He completed his twin engine advance pilot training at Blackland Field, Waco, Tex., and received his wings on June 27, 1944. He later took an administrative course at San Antonio. Then he was assigned to piloting bombardier trainers at Childress Army Air Field, later transferring to a B-24 Liberator bomber as co-pilot and took his operational training at Tonopah Army Air Field, Tonopah, Nev.

Lieutenant Ticer left for overseas in April, 1945 and has been with the 10th Air Force in the Assam Valley in India. He is engaged to Miss Ruth June Wood of Belmont, who is in nurse's training in the Stanford Hospital in the Army Cadet Nurse Corps.

Robert Caravas Ends B-29 Mechanics' Course

Pvt. Robert M. Caravas, son of Mrs. Lillian Martinez of 138 Spruce St., has been graduated from a B-29 mechanics' training course at Chatham Field, Ga., the army announced today.

The training consists of classroom courses supplementing a program of actual mechanic work on the Superfortresses.

Smith Engineering Co. Moves to New Offices

The Edwin H. Smith Engineering Co. moved into its new offices at Spring and Chestnut St. this morning.

Formerly the company, which are city engineers for Menlo Park, had offices in the Menlo Park City Hall. H. C. Armitage of San Carlos is an associate engineer with the company.
